

IMPORTANT SAFETY RECALL

Electrolux Home Care Products, Inc. is voluntarily recalling certain 9.6-volt Pronto, Ergorapido and Precision vacuum cleaners.

In a small number of recent reports, rechargeable battery cells inside the products have expanded and fractured the cleaner housing, sometimes expelling battery contents or projecting pieces from the unit.

Reported incidents involve damage to the product or minor property damage to walls, floors, windows or carpet. Only a few minor injuries have been reported involving swollen hands and irritation to eyes from contact with battery powder. Electrolux has had no reports of fire hazards or serious injuries resulting from this condition.

The recalled model numbers are 9.6-volt EL 1000A, EL 1000B, EL 1000BX, EL 1000BZ, EL 1005A, EL 1006A and PE 1000B cleaners with serial numbers 074000001 through 085100001 and 74000001 through 85100001.

The Model Number, Serial Number and battery voltage are listed on a serial plate located on the underside of the handheld unit.

Consumers should unplug these cleaners and stop using them immediately.

Consumers should call Electrolux toll free at:

1- 800-932-1778

Consumers may call between 8:00 a.m. - 7:30 p.m. CT Monday-Friday, 10:00 a.m. - 6:30 p.m. CT Saturday-Sunday, or visit www.stickvacrecall.com, for more information on the recall and to make arrangements to ship detachable handheld units from the affected date ranges to Electrolux in exchange for a free replacement.

In cooperation with the Consumer Product Safety Commission (CPSC)

Post Through June 2009
